Dear Platinum Rockstars,

On behalf on Belly Up and BFD productions we would like to that you for your March 5th sell-out (600 tickets). As this being our 3rd show together we have achieved our goal at working up to a \$12-14 ticket and would like to have you coming back for a date in the summer. Our 70's vs 80's concept has seemed to hit a chord with people and feel this is a great strategy to move forward with. Your band is amazingly talented and each show you have done has left the whole building buzzing. We can't wait to have you back!

Sincerely

Beau Doiron
